Note:

This schedule was created using a program. The program uses random numbers to select the teams that are to play. The program was also designed to schedule every team, each week playing another team, in which that team had not played yet this year. Then the program attempts to optimize the distribution of your team playing both the front and back nine. As well, you will not be scheduled to play on the front or back more than 2 consecutive weeks. The program also attempted to distribute the tee times as best it can. You will not play one tee-time more than 4 times.
