Quality Source Golf League
End of the Year Fun Night
August 26, 2009
2-Man, Progressive-Tee Scramble

Team Composition and Handicapping: Teams consist of your normal teams. Subs are allowed, but they must have a handicap established with the league to be eligible for any competition. The handicap for the team will be the average of the two players, divided by two $[(h1+h2)/4]$. The handicaps were rounded appropriately, if the result was not an integer.

Progressive Tee Rule: All teams start from the Black Tee Box on their assigned holes. The team will move up a tee box or back based on your performance on the previous hole:

- **Eagle** -- move back two (2) “tee boxes”.
- **Birdie** -- move back one (1) “tee box”.
- **Par** -- play from the same tee box as the previous hole.
- **Bogie or worse** -- team shall move FORWARD one (1) “tee box” (where possible). The SILVER TEES are as far FORWARD as a team can go.

Please help the other team watch all tee shots, even though you maybe playing from another tee.

General Rules:

- League Rules Apply.
- Your tee times are shown on the “Preview Sheet”.
- Following the tee shots, the team QUICKLY selects the best shot. This is referred to as the “selected shot”. The other shot will be picked up and placed near the “selected shot”, per the rules below.
- Both players will play the next shot/putt from the “selected shot” location. Balls must be played within one club length of the “selected shot” location and no closer to the hole – while staying within the original lie (i.e. rough, sand, hazard, etc...).
- Play proceeds in this fashion until the ball is holed out.
- The team then records one score for the hole.

Friendly Competition (Optional): A \$10 per team donation to be split (50-35-15) among the top 3 net scores. Both players must have a league handicap to compete.
