**Team Composition:** Teams are arranged based on league handicaps of registered team players and from their respective handicaps (high, low, and two in the middle). In the event that two players from the same “league team” landed on the same “fun night team”, they were separated with a nearby player so that all four players on the “fun night team” are from different “league teams”.

(Rules are provided on next page)

**General Rules:**

- League Rules Apply.
- Play starts at the **Black tee box** of hole number one.
- The team then QUICKLY selects the best tee shot. The “selected shot”. The other three shots will be QUICKLY picked up and placed near (within a club length) the “selected shot”.
- The entire team will play the next shot/putt from the “selected shot” location.
- Play proceeds in this fashion until the ball is holed out.
- The team then records one score for the hole.
- In the event no “selected shot” is preferred...League Rules Apply
- NO MULLIGANS
- NO GIMMES
- Balls must be played within one club length of the “selected shot” location and no closer to the hole. Putts must be on the “spot”.
- Balls may NOT be moved out of a hazard with the “one club length” rule. If the “selected shot” resides in a hazard, all players must play from the hazard.
